# Protect-All® Commercial Flooring

## It's Durable

Protect-All stands up to a variety of weight loads and temperatures, from steamy to subzero. Its resilient construction resists impacts and punctures often associated with heavy use. And its non-porous construction makes Protect-All non-absorbent to a variety of substances, including grease, animal fats, chemicals, mildew and bacteria, stains, odors and fluids.

## It's Safe

A worry-free flooring solution that will not get in the way of work or play. When maintained properly, Protect-All reduces slips and falls\*. It's easily cleaned with a bucket and brush or floor scrubber, and cleansing product. And its unique formulation stands up to the most commonly used disinfectant products.

## It's Comfortable

Protect-All is an ideal choice for high-impact applications. It provides comfort underfoot and reduces leg fatigue. Our 1/4-inch thickness also helps to absorb sound and reduce noise levels. Made from over 90 percent recycled material, it's easy on the eye, and the environment.
