

Rapid Weld™

Durability Just Got
Faster

1 Protect-All Rapid Weld Kit

Kit Part # 865000

The Protect-All Rapid Weld Kit contains the necessary items to install Protect-All® flooring. The durable protective case also makes it easy to transport and store.

2 Protect-All Rapid Weld Gun

Part # 865025 (Only Available with Kit)

The Protect-All Rapid Weld Gun dispenses a 490-milliliter (ml) cartridge of Protect-All Rapid Weld quickly and easily. Powered by a 18 volt, nickel-metal hydride (NiMH) rechargeable battery, it eliminates the need for messy extension cords.

3 Floor Seam Finishing Tool

Part # 865041

The Floor Seam Finishing Tool helps to level the uncured weld between Protect-All flooring sheets for a smooth, seamless finish.

4 Radius Finishing Tool

Part # 865040

With its unique, angled design, the Radius Finishing Tool helps to level the uncured weld around the Protect-All flooring base.

5 Battery Charger

Part # 865027

The Battery Charger is an essential component for maintaining power to the Protect-All Rapid Weld Gun. Store the rechargeable battery in the Battery Charger when the Protect-All Rapid Weld Gun is not in use.

6 Replacement Battery

Part # 865026

The Protect-All Rapid Weld Gun requires a 18 volt, nickel-metal hydride battery (NiMH). The 2 replacement batteries will keep the job on track if the original battery needs time to recharge or is misplaced.

7 Rapid Mixing Nozzle 10-pack (not included)

Part # 865030

The Rapid Mixing Nozzle attaches to the Protect-All Rapid Weld cartridge and discharges the Protect-All Rapid Weld from the cartridge. It is necessary to replace the Mixing Nozzle if it is unused after five minutes.

8 Protect-All Rapid Weld Cartridge (not included)

- Dark Gray Part # 865010
- Light Gray Part # 865011
- Brown Part # 865013
- Terra Cotta Part # 865014
- Black Part # 865012
- Blue Part # 865015
- Green Part # 865017

The Protect-All Rapid Weld Cartridge holds 490 milliliters (ml) of Protect-All Rapid Weld, which has a cure time of approximately 10 minutes. Available in Dark Gray, Light Gray, Brown, Terra Cotta, Green, Black and Blue.

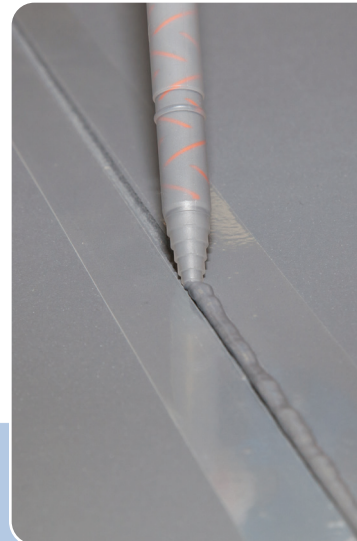

Sold individually or in a 10-count box, the Protect-All Rapid Weld Cartridge covers approximately 60 to 80 linear feet of floor seams and 80 to 100 linear feet of base welds. It has a shelf life of one year, when stored between 55 and 75 degrees Fahrenheit.

Each Protect-All Rapid Weld Cartridge includes one Rapid Mixing Nozzle.

Do not allow it to freeze.

Additional items available:

- 490 milliliter (ml) Manual Rapid Gun
- Seaming Tape
- Groover Blade
