

## Flooring that can stand up to whatever is on tap

The latest trend in dining out; breweries require a floor that can stand up to heavy kegs, spills and a lot of foot traffic. Protect-All® flooring is slip-resistant, durable and easy to maintain - making it an ideal option for breweries.

In addition, Protect-All flooring offers:

- Puncture, cut and impact resistance.
- Comfort underfoot.
- Optimal stain and odor protection.
- Resistance to chemicals, fire, fluids and bacteria.
- Low installation cost and long-lasting performance.
- Minimized business downtime.
- Noise reduction over traditional concrete and hardwood floors.

When combined with the fast installation and outstanding quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within any project.

### Applications in hospitality

Protect-All flooring is great for:

- Kitchens
- Coolers and freezers
- Restrooms
- Corridors
- Entryways/foyers
- Food prep areas
- Bars
