

INTERLOCKING TILES

Durable flooring that's easy to piece together!

In a hurry? Need a temporary solution? Protect-All® Interlocking Tiles offer an instant flooring solution for temporary or permanent flooring applications - and most of the same great benefits of a permanent Protect-All floor.

Quick and easy to install, these 18" x 18" interlocking tiles are suitable for indoor and outdoor use. Their interlocking tabs hold them together, eliminating the need for adhesives or special installation equipment.

Protect-All Interlocking Tiles are:

- Durable
- Soft underfoot
- Puncture resistant
- Easy to install – doesn't require professional installation
- Available in eight colors in either a matte or gloss finish

Applications for interlocking tiles

Protect-All Flooring is great for:

- Basements
- Data rooms
- Day care facilities
- Fitness centers
- Garages
- Grooming areas
- Kennels
- Laundry rooms
- Machine shops
- Maintenance rooms
- Storage rooms
- Weight rooms
