Oscoda Plastics® , Inc. Welcomes New Technical Sales Representatives

OSCODA, MICHIGAN – Oscoda Plastics®, Inc., manufacturer of Protect-All® flooring, is pleased to announce the hiring of two new Technical Sales Representatives, Tom Mitchell and Rob Satkowiak. In their roles, Tom and Rob will be responsible for providing training and technical support to Oscoda Plastics customers, contractors and sales representatives. They will also assist in the research and development of new and existing products, and will coordinate monthly in-house and field training seminars for certified Protect-All flooring installers.

Tom joins the team with nine years of experience in the commercial flooring industry and will be based out of Fountain Hills, Arizona. Rob has 17 years of experience working in the commercial flooring industry and will be based out of Saginaw, Michigan.

“We are excited to welcome Tom and Rob to the team, and to get them trained and out into the field,” says Oscoda Plastics National Sales Manager Jerry Lee. “They both possess strong backgrounds in the commercial flooring industry that will make them excellent additions to the team and resources to our customers.”

Oscoda Plastics is committed to providing customers with the best commercial flooring solutions and service. To learn more about our technical services and upcoming training opportunities, visit www.protect-allflooring.com or call 800.544.9538.

About Protect-All Flooring

Manufactured by Oscoda Plastics®, Inc., Protect-All® flooring derives its durability from the specialized thermal fusion process that blends remnant industrial-strength vinyl together into one monolithic piece. Oscoda Plastics has recycled over 40 million pounds of vinyl waste into Protect-All, keeping it out of our nation’s landfills. In 2014, Oscoda Plastics introduced Protect-All Rapid Weld™, a groundbreaking installation system that significantly reduces installation labor.
